

International Leh Symposium 2018
Respiration under hypobaric hypoxia: Clinical and molecular portrayal

Scientific Programme

Detailed Programme, including presentations/faculty and breakout sessions

November 15, 2018, Thursday

Arrival, Gangtok	
Scientific committee meeting	15:00 – 16:30 hrs
Registration	15:00 – 17:00 hrs
Inauguration & scientific session	17:00 – 19:30 hrs
Reception	19:30 hrs onward

November 16, 2018, Friday

Scientific Session I:	
Oxygen sensing under hypoxia	09:00 – 11:00 hrs
Tea time	11:00 – 11:25 hrs
Scientific Session II:	
Hypoxic pulmonary vasoconstriction	11:30 – 13:00 hrs
Lunch interval	13:00 – 14:00 hrs
Scientific Session III:	
Targetting the hemoglobin	14:00 – 16:00 hrs
Tea Time interactions	16:00 – 16:25 hrs
Scientific Session IV:	
Poster presentation	16:30 – 18:00 hrs

November 17, 2018, Saturday

Scientific Session I:	
Pulmonary hypertension and the impairment	09:00 – 11:00 hrs
Tea time	11:00 – 11:25 hrs
Scientific Session II:	
Inflammation: Relevance under hypobaric hypoxia	11:30 – 13:00 hrs
Lunch interval	13:00 – 14:00 hrs
Scientific Session III:	
Therapeutic intervention in maladaptation	14:00 – 15:30 hrs
Tea Time interactions	16:00 – 16:25 hrs
Scientific Session IV:	
Clinical cases: Management	16:30 – 18:00 hrs
Get together – Cultural programme	18:30 hrs onward

November 18, 2018, Sunday

Scientific Session I:	
Adaptation and maladaptation: A Clinician's perspective	09:00 – 11:00 hrs

Tea time	11:00 – 11:25 hrs
Scientific Session II:	
Adaptation and maladaptation: A Physiologist's perspective	11:30 – 13:00 hrs
Lunch	13:10 – 14:00 hrs
Scientific Session III:	
Genetics & Epigenetics under hypobaric hypoxia	14:00 – 15:30 hrs
Tea time interactions	15:30 – 15:55 hrs
Scientific Session IV:	
Young investigators presentations	16:00 – 18:00 hrs

November 19, 2018, Monday

Experts meet the young medicos and researchers	09:00 – 10:00 hrs
Tea time	10:00 – 10:25 hrs
Visit to hospital	10:30 – 12:00 hrs
